Participants: Erika Zonda, General Director - Programs and Projects General Department & Project Manager, Enikő Farkas, Deputy General Director - Programs and Projects General Department, Mária Mátéffy, Director of CsíkLeader Association.

Topic: Implementation of the actions steps elaborated in the Action Plan

- The creation of “Slowdress” manufacture: the location of the manufactory is planned to be in Csíkszentdomokos, in a house situated between the Márton Áron Memorial Center and the Kultúrotthon; house, which was renovated with the support of the CsíkLeader Association. The municipality could apply at CsíkLeader to get financial support, which would enable the purchase of looms, sewing machines, embroidery machines and all the other tools necessary for the preparation and production of traditional Szekler costume.
- It was discussed to create an exhibition of the existing clothing collection, and to extend with more folk traditional costumes.
- The organization in several locations of programs and exhibitions of the traditional Szekler costumes will be coordinated with Harghita County’s Centre for Preservation and Promotion of Traditional Culture and Harghita County’s Cultural Centre, the necessary photos will be acquired and the exhibition will be organized. Dávid Botond's exhibition was brought up; it was made up by the costumes of different nationalities which could be exhibited on the Day of Szekler Folk Costume.
- Creating a costume designer application. Based on the information entered by the user, the folk costume that the interested party can make is displayed according to his own region, gender and age. There is a plan to create a professional premium, the purpose of which is to find out the criteria of the application and to create the soft, which the Csíki EKE could apply for, at the CsíkLeader.
